

ON Semiconductor®  
ON

AMI Semiconductor / ON

Semiconductor

Part Number:MC33340DR2

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IC CTRLR BATT FAST CHARGE 8-SOIC

Datasheets:

MC33340DR2.pdf

RoHs Status:

Contains lead / RoHS non-compliant

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Image may be representation. See specifications for product details.

Specifications of MC33340DR2

|                                  |                                                                                                    |
|----------------------------------|----------------------------------------------------------------------------------------------------|
| PART NUMBER                      | MC33340DR2                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                               |
| DESCRIPTION                      | IC CTRLR BATT FAST CHARGE 8-SOIC                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                 |
| DATA SHEET                       |  MC33340DR2.pdf |
| VOLTAGE - SUPPLY (MAX)           | 18V                                                                                                |
| SUPPLIER DEVICE PACKAGE          | 8-SOIC                                                                                             |
| SERIES                           | -                                                                                                  |
| PROGRAMMABLE FEATURES            | Timer                                                                                              |
| PACKAGING                        | Tape & Reel (TR)                                                                                   |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width)                                                                      |
| OPERATING TEMPERATURE            | -25°C ~ 85°C (TA)                                                                                  |
| NUMBER OF CELLS                  | -                                                                                                  |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                 |
| INTERFACE                        | -                                                                                                  |
| FAULT PROTECTION                 | Over Temperature, Over Voltage                                                                     |
| DETAILED DESCRIPTION             | Charger IC Multi-Chemistry 8-SOIC                                                                  |
| CURRENT - CHARGING               | -                                                                                                  |
| CHARGE CURRENT - MAX             | -                                                                                                  |
| BATTERY PACK VOLTAGE             | -                                                                                                  |
| BATTERY CHEMISTRY                | Multi-Chemistry                                                                                    |
| BASE PART NUMBER                 | MC33340                                                                                            |
