

ATMEGA32-16PC

|                     |                                                                                                                      |
|---------------------|----------------------------------------------------------------------------------------------------------------------|
| Part Number:        | ATMEGA32-16PC                                                                                                        |
| Manufacturer/Brand: | Micrel / Microchip Technology                                                                                        |
| Product description | IC MCU 8BIT 32KB FLASH 40DIP                                                                                         |
| Datasheets:         | <a href="#">1.ATMEGA32-16PC.pdf</a><br><a href="#">2.ATMEGA32-16PC.pdf</a>                                           |
| RoHs Status         |  Contains lead / RoHS non-compliant |
| Ship From           | Hong Kong                                                                                                            |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                                |

REQUEST FOR QUOTATION

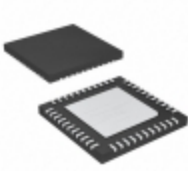

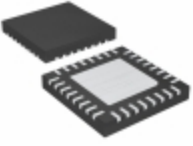

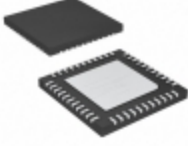

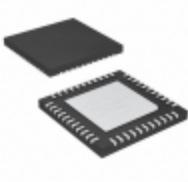

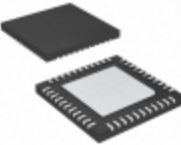

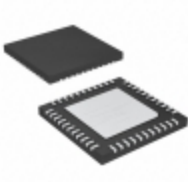

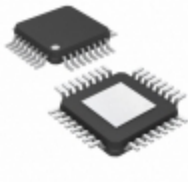

Specifications of ATMEGA32-16PC

|                                  |                                                                              |
|----------------------------------|------------------------------------------------------------------------------|
| PART NUMBER                      | ATMEGA32-16PC                                                                |
| MANUFACTURER                     | Micrel / Microchip Technology                                                |
| DESCRIPTION                      | IC MCU 8BIT 32KB FLASH 40DIP                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                           |
| DATA SHEET                       | <a href="#">1.ATMEGA32-16PC.pdf</a><br><a href="#">2.ATMEGA32-16PC.pdf</a>   |
| VOLTAGE - SUPPLY (VCC/VDD)       | 4.5 V ~ 5.5 V                                                                |
| SUPPLIER DEVICE PACKAGE          | 40-PDIP                                                                      |
| SPEED                            | 16MHz                                                                        |
| SERIES                           | AVR® ATmega                                                                  |
| RAM SIZE                         | 2K x 8                                                                       |
| PROGRAM MEMORY TYPE              | FLASH                                                                        |
| PROGRAM MEMORY SIZE              | 32KB (16K x 16)                                                              |
| PERIPHERALS                      | Brown-out Detect/Reset, POR, PWM, WDT                                        |
| PACKAGING                        | Tube                                                                         |
| PACKAGE / CASE                   | 40-DIP (0.600", 15.24mm)                                                     |
| OSCILLATOR TYPE                  | Internal                                                                     |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TA)                                                              |
| NUMBER OF I/O                    | 32                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | Not Applicable                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                           |
| EEPROM SIZE                      | 1K x 8                                                                       |
| DETAILED DESCRIPTION             | AVR AVR® ATmega Microcontroller IC 8-Bit 16MHz 32KB (16K x 16) FLASH 40-PDIP |
| DATA CONVERTERS                  | A/D 8x10b                                                                    |
| CORE SIZE                        | 8-Bit                                                                        |
| CORE PROCESSOR                   | AVR                                                                          |
| CONNECTIVITY                     | I²C, SPI, UART/USART                                                         |
| BASE PART NUMBER                 | ATMEGA32                                                                     |
