| DATA SHEET                       |  <a href="#">LTC4269CDKD-2#TRPBF.pdf</a> |
| VOLTAGE - SUPPLY                 | 37.2 V ~ 60 V                                                                                                               |
| TYPE                             | Controller (PD), DC/DC                                                                                                      |
| SUPPLIER DEVICE PACKAGE          | 32-DFN (7x4)                                                                                                                |
| STANDARDS                        | 802.3at (PoE+), 802.3af (PoE)                                                                                               |
| SERIES                           | -                                                                                                                           |
| POWER - MAX                      | 25.5W                                                                                                                       |
| PACKAGING                        | Tape & Reel (TR)                                                                                                            |
| PACKAGE / CASE                   | 32-WFDFN Exposed Pad                                                                                                        |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                                                                                  |
| NUMBER OF CHANNELS               | 1                                                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                               |
| MANUFACTURER STANDARD LEAD TIME  | 8 Weeks                                                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                  |
| INTERNAL SWITCH(S)               | Yes                                                                                                                         |
| DETAILED DESCRIPTION             | Power Over Ethernet Controller 1 Channel 802.3at (PoE+), 802.3af (PoE) 32-DFN (7x4)                                         |
| CURRENT - SUPPLY                 | 1.35mA (Max)                                                                                                                |
| BASE PART NUMBER                 | LTC4269                                                                                                                     |
| AUXILIARY SENSE                  | Yes                                                                                                                         |
