Specifications of ISL9014IRJRZ-T

|                                  |                                                                                          |
|----------------------------------|------------------------------------------------------------------------------------------|
| PART NUMBER                      | ISL9014IRJRZ-T                                                                           |
| MANUFACTURER                     | Intersil                                                                                 |
| DESCRIPTION                      | IC REG LINEAR 2.8V/2.6V 10DFN                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                               |
| DATA SHEET                       | <a href="#">PDF ISL9014IRJRZ-T.pdf</a>                                                   |
| VOLTAGE DROPOUT (MAX)            | 0.2V @ 150mA, 0.4V @ 300mA                                                               |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 2.8V, 2.6V                                                                               |
| VOLTAGE - OUTPUT (MAX)           | -                                                                                        |
| VOLTAGE - INPUT (MAX)            | 6.5V                                                                                     |
| SUPPLIER DEVICE PACKAGE          | 10-DFN (3x3)                                                                             |
| SERIES                           | -                                                                                        |
| PROTECTION FEATURES              | Over Current, Over Temperature, Soft Start, Under Voltage Lockout (UVLO)                 |
| PACKAGING                        | Cut Tape (CT)                                                                            |
| PACKAGE / CASE                   | 10-VDFDN Exposed Pad                                                                     |
| PSRR                             | -                                                                                        |
| OUTPUT TYPE                      | Fixed                                                                                    |
| OUTPUT CONFIGURATION             | Positive                                                                                 |
| OTHER NAMES                      | ISL9014IRJRZ-TCT<br>ISL9014IRJRZT                                                        |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                             |
| NUMBER OF REGULATORS             | 2                                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                               |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Fixed 2 Output 2.8V, 2.6V 300mA, 300mA 10-DFN (3x3) |
| CURRENT - SUPPLY (MAX)           | 60µA                                                                                     |
| CURRENT - QUIESCENT (IQ)         | 40µA                                                                                     |
| CURRENT - OUTPUT                 | 300mA, 300mA                                                                             |
| CONTROL FEATURES                 | Enable                                                                                   |
| BASE PART NUMBER                 | ISL9014                                                                                  |
