Specifications of MAX526CCWG

|                                  |                                                                      |
|----------------------------------|----------------------------------------------------------------------|
| PART NUMBER                      | MAX526CCWG                                                           |
| MANUFACTURER                     | Maxim Integrated                                                     |
| DESCRIPTION                      | IC DAC QUAD CALBRTD 12BIT 24SOIC                                     |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                   |
| DATA SHEET                       | <a href="#">1.MAX526CCWG.pdf</a><br><a href="#">2.MAX526CCWG.pdf</a> |
| VOLTAGE - SUPPLY, DIGITAL        | -                                                                    |
| VOLTAGE - SUPPLY, ANALOG         | 10.8 V ~ 16.5 V, -5V                                                 |
| SUPPLIER DEVICE PACKAGE          | 24-SOIC                                                              |
| SETTLING TIME                    | 3μs (Typ)                                                            |
| SERIES                           | -                                                                    |
| REFERENCE TYPE                   | External                                                             |
| PACKAGING                        | Tube                                                                 |
| PACKAGE / CASE                   | 24-SOIC (0.295", 7.50mm Width)                                       |
| OUTPUT TYPE                      | Voltage - Buffered                                                   |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                           |
| NUMBER OF D/A CONVERTERS         | 4                                                                    |
| NUMBER OF BITS                   | 12                                                                   |
| MOUNTING TYPE                    | Surface Mount                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                   |
| INL/DNL (LSB)                    | ±0.15, ±1 (Max)                                                      |
| DIFFERENTIAL OUTPUT              | No                                                                   |
| DETAILED DESCRIPTION             | 12 Bit Digital to Analog Converter 4 24-SOIC                         |
| DATA INTERFACE                   | Parallel                                                             |
| BASE PART NUMBER                 | MAX526                                                               |
| ARCHITECTURE                     | R-2R                                                                 |
