MT90826AG2

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | MT90826AG2                                                                                                   |
| Manufacturer/Brand: | Microsemi                                                                                                    |
| Product description | IC DGTL SWITCH QDX QUAD 160BGA                                                                               |
| Datasheets:         |  MT90826AG2.pdf             |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

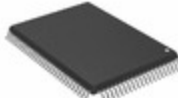

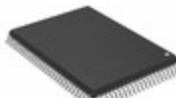

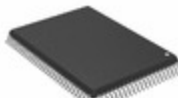

Specifications of MT90826AG2

|                                  |                                                                                                    |
|----------------------------------|----------------------------------------------------------------------------------------------------|
| PART NUMBER                      | MT90826AG2                                                                                         |
| MANUFACTURER                     | Microsemi                                                                                          |
| DESCRIPTION                      | IC DGTL SWITCH QDX QUAD 160BGA                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                         |
| DATA SHEET                       |  MT90826AG2.pdf |
| VOLTAGE - SUPPLY                 | 3 V ~ 3.6 V                                                                                        |
| SUPPLIER DEVICE PACKAGE          | 160-PBGA (23x23)                                                                                   |
| SERIES                           | -                                                                                                  |
| PACKAGING                        | Tray                                                                                               |
| PACKAGE / CASE                   | 160-BGA                                                                                            |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                       |
| NUMBER OF CIRCUITS               | 4                                                                                                  |
| MOUNTING TYPE                    | Surface Mount                                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                         |
| INTERFACE                        | -                                                                                                  |
| INCLUDES                         | -                                                                                                  |
| FUNCTION                         | Switch                                                                                             |
| DETAILED DESCRIPTION             | Telecom IC Switch 160-PBGA (23x23)                                                                 |
| CURRENT - SUPPLY                 | 64mA                                                                                               |
