| MANUFACTURER                      | ADI (Analog Devices, Inc.)                                                                                               |
| DESCRIPTION                       | IC OPAMP JFET 5MHZ 8MSOP                                                                                                 |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                               |
| DATA SHEET                        |  <a href="#">ADTL082ARMZ-REEL.pdf</a> |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 8 V ~ 36 V, ±4 V ~ 18 V                                                                                                  |
| VOLTAGE - INPUT OFFSET            | 1.5mV                                                                                                                    |
| SUPPLIER DEVICE PACKAGE           | 8-MSOP                                                                                                                   |
| SLEW RATE                         | 20 V/μs                                                                                                                  |
| SERIES                            | -                                                                                                                        |
| PACKAGING                         | Tape & Reel (TR)                                                                                                         |
| PACKAGE / CASE                    | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width)                                                                                   |
| OUTPUT TYPE                       | -                                                                                                                        |
| OTHER NAMES                       | ADTL082ARMZ-REEL-ND<br>ADTL082ARMZ-REELTR<br>ADTL082ARMZREEL                                                             |
| OPERATING TEMPERATURE             | -40°C ~ 125°C                                                                                                            |
| NUMBER OF CIRCUITS                | 2                                                                                                                        |
| MOUNTING TYPE                     | Surface Mount                                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                                            |
| MANUFACTURER STANDARD LEAD TIME   | 24 Weeks                                                                                                                 |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                               |
| GAIN BANDWIDTH PRODUCT            | 5MHz                                                                                                                     |
| DETAILED DESCRIPTION              | J-FET Amplifier 2 Circuit 8-MSOP                                                                                         |
| CURRENT - SUPPLY                  | 1.2mA                                                                                                                    |
| CURRENT - OUTPUT / CHANNEL        | 27mA                                                                                                                     |
| CURRENT - INPUT BIAS              | 2pA                                                                                                                      |
