|                     |                                                                          |
|---------------------|--------------------------------------------------------------------------|
| Part Number:        | MAX241EEWI+T                                                             |
| Manufacturer/Brand: | Maxim Integrated                                                         |
| Product description | IC RS-232 DRVR/RCVR 28-SOIC                                              |
| Datasheets:         | <a href="#">1.MAX241EEWI+T.pdf</a><br><a href="#">2.MAX241EEWI+T.pdf</a> |
| RoHs Status         | Lead free / RoHS Compliant                                               |
| Ship From           | Hong Kong                                                                |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                    |

| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                            |
| TYPE                             | Transceiver                                                              |
| SUPPLIER DEVICE PACKAGE          | 28-SOIC                                                                  |
| SERIES                           | -                                                                        |
| RECEIVER HYSTERESIS              | 500mV                                                                    |
| PROTOCOL                         | RS232                                                                    |
| PACKAGING                        | Tape & Reel (TR)                                                         |
| PACKAGE / CASE                   | 28-SOIC (0.295", 7.50mm Width)                                           |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                             |
| NUMBER OF DRIVERS/RECEIVERS      | 4/5                                                                      |
| MOUNTING TYPE                    | Surface Mount                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                            |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                               |
| DUPLEX                           | Full                                                                     |
| DETAILED DESCRIPTION             | 4/5 Transceiver Full RS232 28-SOIC                                       |
| DATA RATE                        | 120Kbps                                                                  |
| BASE PART NUMBER                 | MAX241                                                                   |
