| MANUFACTURER                      | STMicroelectronics                                                                                  |
| DESCRIPTION                       | IC OP AMP GEN PURP DUAL 8SOIC                                                                       |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                          |
| DATA SHEET                        |  RT2904WHYDT.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 3 V ~ 30 V, ±1.5 V ~ 15 V                                                                           |
| VOLTAGE - INPUT OFFSET            | 7mV                                                                                                 |
| SLEW RATE                         | 0.6 V/μs                                                                                            |
| SERIES                            | -                                                                                                   |
| OUTPUT TYPE                       | -                                                                                                   |
| OPERATING TEMPERATURE             | -40°C ~ 150°C                                                                                       |
| NUMBER OF CIRCUITS                | 2                                                                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                       |
| MANUFACTURER STANDARD LEAD TIME   | 13 Weeks                                                                                            |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                          |
| GAIN BANDWIDTH PRODUCT            | 1.1MHz                                                                                              |
| DETAILED DESCRIPTION              | General Purpose Amplifier 2 Circuit                                                                 |
| CURRENT - SUPPLY                  | 1.2mA                                                                                               |
| CURRENT - OUTPUT / CHANNEL        | 20mA                                                                                                |
| CURRENT - INPUT BIAS              | 150nA                                                                                               |
| AMPLIFIER TYPE                    | General Purpose                                                                                     |
