| MANUFACTURER                     | Cypress Semiconductor                                                                                                  |
| DESCRIPTION                      | IC CLK RCVR 2OUT SMPTE 16-TSSOP                                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| DATA SHEET                       |  <a href="#">CY24130KZXC-1T.pdf</a> |
| VOLTAGE - SUPPLY                 | 3.135 V ~ 3.465 V                                                                                                      |
| TYPE                             | Clock Generator, Fanout Distribution                                                                                   |
| SUPPLIER DEVICE PACKAGE          | 16-TSSOP                                                                                                               |
| SERIES                           | HOTlink II™                                                                                                            |
| RATIO - INPUT:OUTPUT             | 1:2                                                                                                                    |
| PACKAGING                        | Tape & Reel (TR)                                                                                                       |
| PACKAGE / CASE                   | 16-TSSOP (0.173", 4.40mm Width)                                                                                        |
| PLL                              | Yes with Bypass                                                                                                        |
| OUTPUT                           | CMOS                                                                                                                   |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                                                                             |
| NUMBER OF CIRCUITS               | 1                                                                                                                      |
| MOUNTING TYPE                    | Surface Mount                                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| INPUT                            | CMOS, Crystal                                                                                                          |
| FREQUENCY - MAX                  | 148.5MHz                                                                                                               |
| DIVIDER/MULTIPLIER               | Yes/No                                                                                                                 |
| DIFFERENTIAL - INPUT:OUTPUT      | No/No                                                                                                                  |
