

ADC0838CCWM

|                     |                                                                                                                      |
|---------------------|----------------------------------------------------------------------------------------------------------------------|
| Part Number:        | ADC0838CCWM                                                                                                          |
| Manufacturer/Brand: | N/A                                                                                                                  |
| Product description | IC ADC 8BIT SERIAL I/O 20-SOIC                                                                                       |
| Datasheets:         |                                                                                                                      |
| RoHs Status         |  Contains lead / RoHS non-compliant |
| Ship From           | Hong Kong                                                                                                            |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                                |

Specifications of ADC0838CCWM

|                                  |                                                            |
|----------------------------------|------------------------------------------------------------|
| PART NUMBER                      | ADC0838CCWM                                                |
| MANUFACTURER                     | N/A                                                        |
| DESCRIPTION                      | IC ADC 8BIT SERIAL I/O 20-SOIC                             |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                         |
| DATA SHEET                       |                                                            |
| VOLTAGE - SUPPLY, DIGITAL        | 4.5 V ~ 6.3 V                                              |
| VOLTAGE - SUPPLY, ANALOG         | 4.5 V ~ 6.3 V                                              |
| SUPPLIER DEVICE PACKAGE          | 20-SOIC                                                    |
| SERIES                           | -                                                          |
| SAMPLING RATE (PER SECOND)       | -                                                          |
| REFERENCE TYPE                   | External                                                   |
| RATIO - S/H:ADC                  | -                                                          |
| PACKAGING                        | Tube                                                       |
| PACKAGE / CASE                   | 20-SOIC (0.295", 7.50mm Width)                             |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                 |
| NUMBER OF INPUTS                 | 4, 8                                                       |
| NUMBER OF BITS                   | 8                                                          |
| NUMBER OF A/D CONVERTERS         | 1                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 2A (4 Weeks)                                               |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                         |
| INPUT TYPE                       | Differential, Pseudo-Differential, Single Ended            |
| FEATURES                         | -                                                          |
| DETAILED DESCRIPTION             | 8 Bit Analog to Digital Converter 4, 8 Input 1 SAR 20-SOIC |
| DATA INTERFACE                   | SPI                                                        |
| CONFIGURATION                    | MUX-ADC                                                    |
| BASE PART NUMBER                 | ADC0838                                                    |
| ARCHITECTURE                     | SAR                                                        |
