

**Honeywell Sensing and Productivity Solutions**

26PCBFC2G

Part Number: 26PCBFC2G

Manufacturer/Brand: Honeywell Sensing and Productivity Solutions

Product description: SENSOR DIFFERENTIAL +-5 PSI

1.26PCBFC2G.pdf

2.26PCBFC2G.pdf

3.26PCBFC2G.pdf

4.26PCBFC2G.pdf

Lead free / RoHS Compliant

Hong Kong

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

| VOLTAGE - SUPPLY                 | 2.5 V ~ 16 V                                                                                           |
| TERMINATION STYLE                | PC Pin                                                                                                 |
| SUPPLIER DEVICE PACKAGE          | -                                                                                                      |
| SERIES                           | 26PC                                                                                                   |
| PRESSURE TYPE                    | Compound                                                                                               |
| PORT STYLE                       | Barbless                                                                                               |
| PORT SIZE                        | Male - 0.18" (4.6mm) Tube                                                                              |
| PACKAGE / CASE                   | 4-SIP Module                                                                                           |
| OUTPUT TYPE                      | Wheatstone Bridge                                                                                      |
| OUTPUT                           | 0 mV ~ 50 mV (10V)                                                                                     |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                           |
| OPERATING PRESSURE               | ±5 PSI (±34.47 kPa)                                                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                          |
| MAXIMUM PRESSURE                 | ±20 PSI (±137.9 kPa)                                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| FEATURES                         | Temperature Compensated                                                                                |
| DETAILED DESCRIPTION             | Pressure Sensor ±5 PSI (±34.47 kPa) Compound Male - 0.18" (4.6mm) Tube 0 mV ~ 50 mV (10V) 4-SIP Module |
| ACCURACY                         | ±0.5%                                                                                                  |
