

ADI (Analog Devices, Inc.)

LTC1232CS8#TRPBF

Part Number:

LTC1232CS8#TRPBF

Manufacturer/Brand:

ADI (Analog Devices, Inc.)

Product description

IC MPU SUPERVISORY CIRCUIT 8SOIC

Datasheets:

LTC1232CS8#TRPBF.pdf

RoHs Status

Lead free / RoHS Compliant

Ship From

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Image may be representation. See specifications for product details.

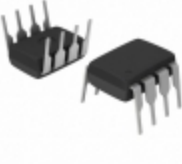

Specifications of LTC1232CS8#TRPBF

|                                  |                                                                                                          |
|----------------------------------|----------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | LTC1232CS8#TRPBF                                                                                         |
| MANUFACTURER                     | ADI (Analog Devices, Inc.)                                                                               |
| DESCRIPTION                      | IC MPU SUPERVISORY CIRCUIT 8SOIC                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                               |
| DATA SHEET                       |  LTC1232CS8#TRPBF.pdf |
| VOLTAGE - THRESHOLD              | 4.37V, 4.62V                                                                                             |
| TYPE                             | Simple Reset/Power-On Reset                                                                              |
| SUPPLIER DEVICE PACKAGE          | 8-SOIC                                                                                                   |
| SERIES                           | -                                                                                                        |
| RESET TIMEOUT                    | 250 ms Minimum                                                                                           |
| RESET                            | Active High/Active Low                                                                                   |
| PACKAGING                        | Tape & Reel (TR)                                                                                         |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width)                                                                            |
| OUTPUT                           | Open Drain, Open Drain                                                                                   |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TA)                                                                                          |
| NUMBER OF VOLTAGES MONITORED     | 1                                                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                            |
| MANUFACTURER STANDARD LEAD TIME  | 12 Weeks                                                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                               |
| DETAILED DESCRIPTION             | Supervisor Open Drain, Open Drain 1 Channel 8-SOIC                                                       |
| BASE PART NUMBER                 | LTC1232                                                                                                  |
