|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | NP5Q032AE3ESFC0E                                                                                             |
| Manufacturer/Brand: | Micron Technology                                                                                            |
| Product description | IC PCM 32M SPI 16SO W                                                                                        |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of NP5Q032AE3ESFC0E

|                                  |                                                      |
|----------------------------------|------------------------------------------------------|
| PART NUMBER                      | NP5Q032AE3ESFC0E                                     |
| MANUFACTURER                     | Micron Technology                                    |
| DESCRIPTION                      | IC PCM 32M SPI 16SO W                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                           |
| DATA SHEET                       |                                                      |
| WRITE CYCLE TIME - WORD, PAGE    | 280µs                                                |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 3.6 V                                        |
| TECHNOLOGY                       | PCM (PRAM)                                           |
| SUPPLIER DEVICE PACKAGE          | 16-SO W                                              |
| SERIES                           | Omneo™                                               |
| PACKAGING                        | Tray                                                 |
| PACKAGE / CASE                   | 16-SOIC (0.295", 7.50mm Width)                       |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                    |
| MOUNTING TYPE                    | Surface Mount                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                        |
| MEMORY TYPE                      | Non-Volatile                                         |
| MEMORY SIZE                      | 32Mb (4M x 8)                                        |
| MEMORY INTERFACE                 | SPI                                                  |
| MEMORY FORMAT                    | PCM (PRAM)                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                           |
| DETAILED DESCRIPTION             | PCM (PRAM) Memory IC 32Mb (4M x 8) SPI 66MHz 16-SO W |
| CLOCK FREQUENCY                  | 66MHz                                                |
