| DESCRIPTION                      | RF TXRX CELL 4G LTE AT&T/TMOBILE                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                     |
| DATA SHEET                       | <a href="#">1.MTQ-LAT3-B01-SP.pdf</a><br><a href="#">2.MTQ-LAT3-B01-SP.pdf</a> |
| VOLTAGE - SUPPLY                 | 5V                                                                             |
| UTILIZED IC / PART               | -                                                                              |
| SERIES                           | MultiConnect® Dragonfly™                                                       |
| SERIAL INTERFACES                | I²C, SPI, UART, USB                                                            |
| SENSITIVITY                      | -                                                                              |
| RF FAMILY/STANDARD               | Cellular                                                                       |
| PROTOCOL                         | 4G LTE CAT-1 (AT&T/T-Mobile)                                                   |
| POWER - OUTPUT                   | -                                                                              |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                   |
| MOUNTING TYPE                    | Surface Mount                                                                  |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                  |
| MODULATION                       | -                                                                              |
| MEMORY SIZE                      | -                                                                              |
| MANUFACTURER STANDARD LEAD TIME  | 12 Weeks                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                     |
| FREQUENCY                        | 700MHz, 850MHz, 1.7GHz, 1.9GHz                                                 |
| DATA RATE                        | 10Mbps                                                                         |
| CURRENT - TRANSMITTING           | 58mA                                                                           |
| CURRENT - RECEIVING              | 58mA                                                                           |
| ANTENNA TYPE                     | Not Included, U.FL                                                             |
