| DESCRIPTION                      | IC ADC 12BIT SRL 1.6G 2CH 292BGA                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                         |
| DATA SHEET                       |                                                                                    |
| VOLTAGE - SUPPLY, DIGITAL        | 1.8 V ~ 2 V                                                                        |
| VOLTAGE - SUPPLY, ANALOG         | 1.8 V ~ 2 V                                                                        |
| SUPPLIER DEVICE PACKAGE          | 292-BGA (27x27)                                                                    |
| SERIES                           | -                                                                                  |
| SAMPLING RATE (PER SECOND)       | 1.6G                                                                               |
| REFERENCE TYPE                   | Internal                                                                           |
| RATIO - S/H:ADC                  | 1:1                                                                                |
| PACKAGING                        | Tube                                                                               |
| PACKAGE / CASE                   | 292-BGA Exposed Pad                                                                |
| OTHER NAMES                      | 296-41535-5<br>ADC12D800RFIUT/NOPB-ND                                              |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                       |
| NUMBER OF INPUTS                 | 2                                                                                  |
| NUMBER OF BITS                   | 12                                                                                 |
| NUMBER OF A/D CONVERTERS         | 2                                                                                  |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                      |
| MANUFACTURER STANDARD LEAD TIME  | 16 Weeks                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                         |
| INPUT TYPE                       | Differential                                                                       |
| FEATURES                         | Simultaneous Sampling                                                              |
| DETAILED DESCRIPTION             | 12 Bit Analog to Digital Converter 2 Input 2 Folding Interpolating 292-BGA (27x27) |
| DATA INTERFACE                   | LVDS - Parallel                                                                    |
| CONFIGURATION                    | MUX-S/H-ADC                                                                        |
| BASE PART NUMBER                 | ADC12D800                                                                          |
| ARCHITECTURE                     | Folding Interpolating                                                              |
