|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | LE88506DVC                                                                                                   |
| Manufacturer/Brand: | Microsemi                                                                                                    |
| Product description | IC VOICEPORT 2CH SLAC 64TQFP                                                                                 |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of LE88506DVC

|                                  |                                            |
|----------------------------------|--------------------------------------------|
| PART NUMBER                      | LE88506DVC                                 |
| MANUFACTURER                     | Microsemi                                  |
| DESCRIPTION                      | IC VOICEPORT 2CH SLAC 64TQFP               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                 |
| DATA SHEET                       |                                            |
| VOLTAGE - SUPPLY                 | 3.3 V ~ 35 V                               |
| SUPPLIER DEVICE PACKAGE          | 64-TQFP (10x10)                            |
| SERIES                           | -                                          |
| PACKAGING                        | Tray                                       |
| PACKAGE / CASE                   | -                                          |
| OPERATING TEMPERATURE            | -                                          |
| NUMBER OF CIRCUITS               | 2                                          |
| MOUNTING TYPE                    | Surface Mount                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                              |
| MANUFACTURER STANDARD LEAD TIME  | 8 Weeks                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                 |
| INTERFACE                        | PCM                                        |
| INCLUDES                         | -                                          |
| FUNCTION                         | Telecom Circuit                            |
| DETAILED DESCRIPTION             | Telecom IC Telecom Circuit 64-TQFP (10x10) |
| CURRENT - SUPPLY                 | -                                          |
