

LM26CIM5X-HHD/NOPB

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | LM26CIM5X-HHD/NOPB                                                                                           |
| Manufacturer/Brand: | N/A                                                                                                          |
| Product description | IC THERMOSTAT PRESET SOT23-5                                                                                 |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of LM26CIM5X-HHD/NOPB

|                                  |                                               |
|----------------------------------|-----------------------------------------------|
| PART NUMBER                      | LM26CIM5X-HHD/NOPB                            |
| MANUFACTURER                     | N/A                                           |
| DESCRIPTION                      | IC THERMOSTAT PRESET SOT23-5                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                    |
| DATA SHEET                       |                                               |
| VOLTAGE - SUPPLY                 | 2.7V ~ 5.5V                                   |
| TRIP TEMPERATURE THRESHOLD       | Cold                                          |
| SWITCHING TEMPERATURE            | 0°C                                           |
| SUPPLIER DEVICE PACKAGE          | SOT-23-5                                      |
| SERIES                           | -                                             |
| SELECTABLE HYSTERESIS            | Yes                                           |
| PACKAGING                        | Cut Tape (CT)                                 |
| PACKAGE / CASE                   | SC-74A, SOT-753                               |
| OUTPUT TYPE                      | Push-Pull                                     |
| OUTPUT FUNCTION                  | UnderTemp                                     |
| OUTPUT                           | Active High                                   |
| OTHER NAMES                      | 296-44186-1                                   |
| OPERATING TEMPERATURE            | -55°C ~ 125°C                                 |
| MOUNTING TYPE                    | Surface Mount                                 |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                 |
| MANUFACTURER STANDARD LEAD TIME  | 35 Weeks                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                    |
| FEATURES                         | -                                             |
| DETAILED DESCRIPTION             | Thermostat 0°C Active High Push-Pull SOT-23-5 |
| CURRENT - SUPPLY                 | 16μA                                          |
| CURRENT - OUTPUT (MAX)           | -                                             |
| ACCURACY                         | ±3°C                                          |
