|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | M74HCT373TTR                                                                                                 |
| Manufacturer/Brand: | STMicroelectronics                                                                                           |
| Product description | IC LATCH OCT D TYPE 3ST 20TSSOP                                                                              |
| Datasheets:         |  M74HCT373TTR.pdf           |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

| MANUFACTURER                     | STMicroelectronics                                                                                   |
| DESCRIPTION                      | IC LATCH OCT D TYPE 3ST 20TSSOP                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                           |
| DATA SHEET                       |  M74HCT373TTR.pdf |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                                                        |
| SUPPLIER DEVICE PACKAGE          | 20-TSSOP                                                                                             |
| SERIES                           | 74HCT                                                                                                |
| PACKAGING                        | Cut Tape (CT)                                                                                        |
| PACKAGE / CASE                   | 20-TSSOP (0.173", 4.40mm Width)                                                                      |
| OUTPUT TYPE                      | Tri-State                                                                                            |
| OTHER NAMES                      | 497-4279-1                                                                                           |
| OPERATING TEMPERATURE            | -55°C ~ 125°C                                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                        |
| LOGIC TYPE                       | D-Type Transparent Latch                                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                           |
| INDEPENDENT CIRCUITS             | 1                                                                                                    |
| DETAILED DESCRIPTION             | D-Type Transparent Latch 1 Channel 8:8 IC Tri-State 20-TSSOP                                         |
| DELAY TIME - PROPAGATION         | 19ns                                                                                                 |
| CURRENT - OUTPUT HIGH, LOW       | 6mA, 6mA                                                                                             |
| CIRCUIT                          | 8:8                                                                                                  |
| BASE PART NUMBER                 | 74HCT373                                                                                             |
