

HJ2-T-AC48V

|                     |                                |
|---------------------|--------------------------------|
| Part Number:        | HJ2-T-AC48V                    |
| Manufacturer/Brand: | Panasonic                      |
| Product description | RELAY GEN PURPOSE DPDT 10A 48V |
| Datasheets:         |                                |
| RoHs Status         | Lead free / RoHS Compliant     |
| Ship From           | Hong Kong                      |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS          |

|                                |                                                             |
|--------------------------------|-------------------------------------------------------------|
| PART NUMBER                    | HJ2-T-AC48V                                                 |
| MANUFACTURER                   | Panasonic                                                   |
| DESCRIPTION                    | RELAY GEN PURPOSE DPDT 10A 48V                              |
| LEAD FREE STATUS / ROHS STATUS | Lead free / RoHS Compliant                                  |
| DATA SHEET                     |                                                             |
| TURN ON VOLTAGE (MAX)          | 38.4 VAC                                                    |
| TURN OFF VOLTAGE (MIN)         | 14.4 VAC                                                    |
| TERMINATION STYLE              | Plug In                                                     |
| SWITCHING VOLTAGE              | 250VAC, 125VDC - Max                                        |
| SERIES                         | HJ                                                          |
| RELEASE TIME                   | 20ms                                                        |
| RELAY TYPE                     | General Purpose                                             |
| PACKAGING                      | Bulk                                                        |
| OPERATING TEMPERATURE          | -40°C ~ 70°C                                                |
| OPERATE TIME                   | 20ms                                                        |
| MOUNTING TYPE                  | Socketable                                                  |
| LEAD FREE STATUS / ROHS STATUS | Lead free / RoHS Compliant                                  |
| FEATURES                       | Test Button                                                 |
| DETAILED DESCRIPTION           | General Purpose Relay DPDT (2 Form C) 48VAC Coil Socketable |
| CONTACT RATING (CURRENT)       | 10A                                                         |
| CONTACT MATERIAL               | Silver (Ag)                                                 |
| CONTACT FORM                   | DPDT (2 Form C)                                             |
| COIL VOLTAGE                   | 48VAC                                                       |
| COIL TYPE                      | Non Latching                                                |
| COIL POWER                     | 1.3 VA                                                      |
| COIL CURRENT                   | 25.9mA                                                      |
