Specifications of DS89C21TMX/NOPB

|                                  |                                                                         |
|----------------------------------|-------------------------------------------------------------------------|
| PART NUMBER                      | DS89C21TMX/NOPB                                                         |
| MANUFACTURER                     | N/A                                                                     |
| DESCRIPTION                      | IC LINE DVR/RVR DIFF PAIR 8-SOIC                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                              |
| DATA SHEET                       |                                                                         |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                           |
| TYPE                             | Transceiver                                                             |
| SUPPLIER DEVICE PACKAGE          | 8-SOIC                                                                  |
| SERIES                           | -                                                                       |
| RECEIVER HYSTERESIS              | 50mV                                                                    |
| PROTOCOL                         | RS422, RS485                                                            |
| PACKAGING                        | Tape & Reel (TR)                                                        |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width)                                           |
| OTHER NAMES                      | *DS89C21TMX/NOPB<br>296-35376-2<br>DS89C21TMX/NOPB-ND<br>DS89C21TMXNOPB |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                            |
| NUMBER OF DRIVERS/RECEIVERS      | 1/1                                                                     |
| MOUNTING TYPE                    | Surface Mount                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                           |
| MANUFACTURER STANDARD LEAD TIME  | 9 Weeks                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                              |
| DUPLEX                           | Full                                                                    |
| DETAILED DESCRIPTION             | 1/1 Transceiver Full RS422, RS485 8-SOIC                                |
| DATA RATE                        | 20Mbps                                                                  |
| BASE PART NUMBER                 | DS89C21                                                                 |
