| DESCRIPTION                      | IC UART FIFO 16B 24QFN                                                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                               |
| DATA SHEET                       |  <a href="#">XR16M570IL24TR-F.pdf</a> |
| WITH MODEM CONTROL               | Yes                                                                                                                      |
| WITH IRDA ENCODER/DECODER        | Yes                                                                                                                      |
| WITH FALSE START BIT DETECTION   | Yes                                                                                                                      |
| WITH AUTO FLOW CONTROL           | Yes                                                                                                                      |
| VOLTAGE - SUPPLY                 | 1.62 V ~ 3.63 V                                                                                                          |
| SUPPLIER DEVICE PACKAGE          | 24-QFN (4x4)                                                                                                             |
| SERIES                           | -                                                                                                                        |
| PROTOCOL                         | RS232, RS422, RS485                                                                                                      |
| PACKAGING                        | Cut Tape (CT)                                                                                                            |
| PACKAGE / CASE                   | 24-VFQFN Exposed Pad                                                                                                     |
| OTHER NAMES                      | 1016-1862-1                                                                                                              |
| NUMBER OF CHANNELS               | 1, UART                                                                                                                  |
| MOUNTING TYPE                    | Surface Mount                                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 2 (1 Year)                                                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                               |
| FEATURES                         | Internal Oscillator, Timer/Counter                                                                                       |
| FIFO'S                           | 16 Byte                                                                                                                  |
| DATA RATE (MAX)                  | 16Mbps                                                                                                                   |
