| TURN ON VOLTAGE (MAX)            | 4.5 VDC                                                       |
| TURN OFF VOLTAGE (MIN)           | -                                                             |
| TERMINATION STYLE                | Gull Wing                                                     |
| SWITCHING VOLTAGE                | 250VAC, 220VDC - Max                                          |
| SERIES                           | TX-TH                                                         |
| RELEASE TIME                     | 4ms                                                           |
| RELAY TYPE                       | General Purpose                                               |
| PACKAGING                        | Tape & Reel (TR)                                              |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                  |
| OPERATE TIME                     | 4ms                                                           |
| MOUNTING TYPE                    | Surface Mount                                                 |
| MOISTURE SENSITIVITY LEVEL (MSL) | 4 (72 Hours)                                                  |
| MANUFACTURER STANDARD LEAD TIME  | 14 Weeks                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                    |
| FEATURES                         | Sealed - Fully                                                |
| DETAILED DESCRIPTION             | General Purpose Relay DPDT (2 Form C) 6VDC Coil Surface Mount |
| CONTACT RATING (CURRENT)         | 2A                                                            |
| CONTACT MATERIAL                 | Silver (Ag), Gold (Au)                                        |
| CONTACT FORM                     | DPDT (2 Form C)                                               |
| COIL VOLTAGE                     | 6VDC                                                          |
| COIL TYPE                        | Latching, Dual Coil                                           |
| COIL RESISTANCE                  | 257 Ohms                                                      |
| COIL POWER                       | 140 mW                                                        |
| COIL CURRENT                     | 23.3mA                                                        |
