XC6804A4E14R-G

|                     |                                                                                                                      |
|---------------------|----------------------------------------------------------------------------------------------------------------------|
| Part Number:        | XC6804A4E14R-G                                                                                                       |
| Manufacturer/Brand: | Torex Semiconductor Ltd.                                                                                             |
| Product description | IC BATT CHG LI-ION 1 CELL                                                                                            |
| Datasheets:         |  <a href="#">XC6804A4E14R-G.pdf</a> |
| RoHs Status         |  Lead free / RoHS Compliant         |
| Ship From           | Hong Kong                                                                                                            |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                                |

Specifications of XC6804A4E14R-G

|                                  |                                                                                                                        |
|----------------------------------|------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | XC6804A4E14R-G                                                                                                         |
| MANUFACTURER                     | Torex Semiconductor Ltd.                                                                                               |
| DESCRIPTION                      | IC BATT CHG LI-ION 1 CELL                                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| DATA SHEET                       |  <a href="#">XC6804A4E14R-G.pdf</a> |
| VOLTAGE - SUPPLY (MAX)           | 6V                                                                                                                     |
| SUPPLIER DEVICE PACKAGE          | 6-USPEL (1.8x2)                                                                                                        |
| SERIES                           | XC680x                                                                                                                 |
| PROGRAMMABLE FEATURES            | Current                                                                                                                |
| PACKAGING                        | Cut Tape (CT)                                                                                                          |
| PACKAGE / CASE                   | 6-XDFN Exposed Pad                                                                                                     |
| OTHER NAMES                      | 893-1312-1                                                                                                             |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                                      |
| NUMBER OF CELLS                  | 1                                                                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                          |
| MANUFACTURER STANDARD LEAD TIME  | 10 Weeks                                                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| INTERFACE                        | -                                                                                                                      |
| FAULT PROTECTION                 | Over Current, Over Temperature, Over Voltage                                                                           |
| DETAILED DESCRIPTION             | Charger IC Lithium Ion/Polymer 6-USPEL (1.8x2)                                                                         |
| CURRENT - CHARGING               | Constant - Programmable                                                                                                |
| CHARGE CURRENT - MAX             | 800mA                                                                                                                  |
| BATTERY PACK VOLTAGE             | 4.2V                                                                                                                   |
| BATTERY CHEMISTRY                | Lithium Ion/Polymer                                                                                                    |
