E3FA-DP25

|                     |                                                                                                                      |
|---------------------|----------------------------------------------------------------------------------------------------------------------|
| Part Number:        | E3FA-DP25                                                                                                            |
| Manufacturer/Brand: | Omron Automation & Safety                                                                                            |
| Product description | INFRARED M18 PLSTC 300MM PNP                                                                                         |
| Datasheets:         |                                                                                                                      |
| RoHs Status         |  Contains lead / RoHS non-compliant |
| Ship From           | Hong Kong                                                                                                            |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                                |

Specifications of E3FA-DP25

|                                  |                                     |
|----------------------------------|-------------------------------------|
| PART NUMBER                      | E3FA-DP25                           |
| MANUFACTURER                     | Omron Automation & Safety           |
| DESCRIPTION                      | INFRARED M18 PLSTC 300MM PNP        |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant  |
| DATA SHEET                       |                                     |
| VOLTAGE - SUPPLY                 | 10 V ~ 30 V                         |
| SERIES                           | E3FA                                |
| SENSING METHOD                   | Reflective                          |
| SENSING DISTANCE                 | 11.811" (300mm)                     |
| RESPONSE TIME                    | 500µs                               |
| OUTPUT CONFIGURATION             | PNP - Dark-ON/Light-ON - Selectable |
| OTHER NAMES                      | E3FADP25                            |
| OPERATING TEMPERATURE            | -25°C ~ 55°C                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                       |
| LIGHT SOURCE                     | Red LED                             |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant  |
| INGRESS PROTECTION               | IEC IP67, IP69K                     |
| CONNECTION METHOD                | Connector                           |
| CABLE LENGTH                     | -                                   |
| ADJUSTMENT TYPE                  | Single-Turn                         |
