

MTCBA-G-F4-ED-GB/IE

|                     |                               |
|---------------------|-------------------------------|
| Part Number:        | MTCBA-G-F4-ED-GB/IE           |
| Manufacturer/Brand: | Multi-Tech Systems, Inc.      |
| Product description | MODEM GPRS QUAD UK STYLE CORD |
| Datasheets:         | MTCBA-G-F4-ED-GB/IE.pdf       |
| RoHs Status         | Lead free / RoHS Compliant    |
| Ship From           | Hong Kong                     |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS         |

REQUEST FOR QUOTATION

| DESCRIPTION                      | MODEM GPRS QUAD UK STYLE CORD                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                     |
| DATA SHEET                       | MTCBA-G-F4-ED-GB/IE.pdf                                                        |
| VOLTAGE - SUPPLY                 | 5 V ~ 32 V                                                                     |
| SERIES                           | MultiModem® GPRS                                                               |
| SENSITIVITY                      | -                                                                              |
| POWER - OUTPUT                   | -                                                                              |
| OTHER NAMES                      | 591-1072                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                  |
| MODULATION OR PROTOCOL           | GSM, GPRS                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                     |
| INTERFACE                        | RS-232                                                                         |
| FUNCTION                         | Transceiver, Modem                                                             |
| FREQUENCY                        | 850MHz, 900MHz, 1.8GHz, 1.9GHz                                                 |
| FEATURES                         | -                                                                              |
| DETAILED DESCRIPTION             | RF Transceiver, Modem 850MHz, 900MHz, 1.8GHz, 1.9GHz GSM, GPRS RS-232 85.6kbps |
| DATA RATE (MAX)                  | 85.6kbps                                                                       |
| APPLICATIONS                     | -                                                                              |
