GN25L53-GRP8

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | GN25L53-GRP8                                                                                                 |
| Manufacturer/Brand: | Semtech                                                                                                      |
| Product description | IC AMP TIA 2.5GB OC-48 DIE RING                                                                              |
| Datasheets:         |                                                                                                              |
| RoHS Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of GN25L53-GRP8

|                                  |                                   |
|----------------------------------|-----------------------------------|
| PART NUMBER                      | GN25L53-GRP8                      |
| MANUFACTURER                     | Semtech                           |
| DESCRIPTION                      | IC AMP TIA 2.5GB OC-48 DIE RING   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant        |
| DATA SHEET                       |                                   |
| TYPE                             | Transimpedance Amplifier          |
| SUPPLIER DEVICE PACKAGE          | -                                 |
| SERIES                           | -                                 |
| PACKAGING                        | Tape & Reel (TR)                  |
| PACKAGE / CASE                   | -                                 |
| MOUNTING TYPE                    | -                                 |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant        |
| DETAILED DESCRIPTION             | Transimpedance Amplifier IC Audio |
| APPLICATIONS                     | Audio                             |
