MC34704AEP

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | MC34704AEP                                                                                                   |
| Manufacturer/Brand: | NXP Semiconductors / Freescale                                                                               |
| Product description | IC POWER MANAGEMENT 56-QFN                                                                                   |
| Datasheets:         |  MC34704AEP.pdf             |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of MC34704AEP

|                                  |                                                                                                    |
|----------------------------------|----------------------------------------------------------------------------------------------------|
| PART NUMBER                      | MC34704AEP                                                                                         |
| MANUFACTURER                     | NXP Semiconductors / Freescale                                                                     |
| DESCRIPTION                      | IC POWER MANAGEMENT 56-QFN                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                         |
| DATA SHEET                       |  MC34704AEP.pdf |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 5.5 V                                                                                      |
| SUPPLIER DEVICE PACKAGE          | 56-QFN-EP (7x7)                                                                                    |
| SERIES                           | -                                                                                                  |
| PACKAGING                        | Tray                                                                                               |
| PACKAGE / CASE                   | 56-TFQFN Exposed Pad                                                                               |
| OTHER NAMES                      | 935312365557                                                                                       |
| OPERATING TEMPERATURE            | -20°C ~ 85°C                                                                                       |
| MOUNTING TYPE                    | Surface Mount                                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                      |
| MANUFACTURER STANDARD LEAD TIME  | 12 Weeks                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                         |
| DETAILED DESCRIPTION             | Processor PMIC 56-QFN-EP (7x7)                                                                     |
| CURRENT - SUPPLY                 | 86mA                                                                                               |
| BASE PART NUMBER                 | MC34704                                                                                            |
| APPLICATIONS                     | Processor                                                                                          |
