| VOLTAGE - SUPPLY, SINGLE (V+)     | 4.5 V ~ 5.5 V                                                            |
| VOLTAGE - SUPPLY, DUAL (V±)       | ±3 V ~ 5 V                                                               |
| SWITCH CIRCUIT                    | -                                                                        |
| SUPPLIER DEVICE PACKAGE           | 128-LQFP (14x20)                                                         |
| SERIES                            | -                                                                        |
| PACKAGING                         | Tape & Reel (TR)                                                         |
| PACKAGE / CASE                    | 128-LQFP                                                                 |
| OPERATING TEMPERATURE             | -40°C ~ 85°C (TA)                                                        |
| ON-STATE RESISTANCE (MAX)         | -                                                                        |
| NUMBER OF CHANNELS                | 1                                                                        |
| MULTIPLEXER/DEMULTIPLEXER CIRCUIT | 32:16                                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                            |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                               |
| FEATURES                          | Buffered, SPI                                                            |
| DETAILED DESCRIPTION              | Video Switch IC 1 Channel 128-LQFP (14x20)                               |
| BASE PART NUMBER                  | MAX4357                                                                  |
| APPLICATIONS                      | Video                                                                    |
| -3DB BANDWIDTH                    | 70MHz                                                                    |
