ADP3050ARZ-3.3

|                     |                                  |
|---------------------|----------------------------------|
| Part Number:        | ADP3050ARZ-3.3                   |
| Manufacturer/Brand: | Anaren                           |
| Product description | IC REG MULT CONFIG 3.3V 1A 8SOIC |
| Datasheets:         | ADP3050ARZ-3.3.pdf               |
| RoHs Status         | Lead free / RoHS Compliant       |
| Ship From           | Hong Kong                        |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS            |

REQUEST FOR QUOTATION

Specifications of ADP3050ARZ-3.3

| DESCRIPTION                      | IC REG MULT CONFIG 3.3V 1A 8SOIC                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                            |
| DATA SHEET                       | ADP3050ARZ-3.3.pdf                                                                                                    |
| VOLTAGE - START UP               | Buck, Buck-Boost, SEPIC                                                                                               |
| VOLTAGE - OUTPUT (MAX)           | 3.3V                                                                                                                  |
| VOLTAGE - INPUT (MAX)            | 30V                                                                                                                   |
| VOLTAGE - DROPOUT (TYPICAL)      | 3.6V                                                                                                                  |
| VOLTAGE - BREAKDOWN              | 8-SOIC                                                                                                                |
| SERIES                           | -                                                                                                                     |
| ROHS STATUS                      | Tube                                                                                                                  |
| REGULATOR TOPOLOGY               | 1A (Switch)                                                                                                           |
| POLARIZATION                     | 8-SOIC (0.154", 3.90mm Width)                                                                                         |
| OUTPUT TYPE                      | Fixed                                                                                                                 |
| OUTPUT CONFIGURATION             | 1                                                                                                                     |
| OUTPUT                           | Step-Down, Step-Up/Step-Down                                                                                          |
| OTHER NAMES                      | ADP3050ARZ33                                                                                                          |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                                     |
| NUMBER OF DAC'S                  | 200kHz                                                                                                                |
| NOISE - 0.1HZ TO 10HZ            | -                                                                                                                     |
| MOUNTING TYPE                    | Surface Mount                                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                         |
| MANUFACTURER STANDARD LEAD TIME  | 13 Weeks                                                                                                              |
| MANUFACTURER PART NUMBER         | ADP3050ARZ-3.3                                                                                                        |
| EXPANDED DESCRIPTION             | Buck, Buck-Boost, SEPIC Switching Regulator IC Positive Fixed 3.3V 1 Output 1A (Switch) 8-SOIC (0.154", 3.90mm Width) |
| DESCRIPTION                      | IC REG MULT CONFIG 3.3V 1A 8SOIC                                                                                      |
| CONTACT RATING @ VOLTAGE         | Positive                                                                                                              |
| CLOCK SYNC                       | No                                                                                                                    |
