| DATA SHEET                        |  LTC6088HDHC#TRPBF.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 2.7 V ~ 5.5 V                                                                                             |
| VOLTAGE - INPUT OFFSET            | 330μV                                                                                                     |
| SUPPLIER DEVICE PACKAGE           | 16-DFN-EP (5x3)                                                                                           |
| SLEW RATE                         | 7.2 V/μs                                                                                                  |
| SERIES                            | -                                                                                                         |
| PACKAGING                         | Tape & Reel (TR)                                                                                          |
| PACKAGE / CASE                    | 16-WDFN Exposed Pad                                                                                       |
| OUTPUT TYPE                       | Rail-to-Rail                                                                                              |
| OPERATING TEMPERATURE             | -40°C ~ 125°C                                                                                             |
| NUMBER OF CIRCUITS                | 4                                                                                                         |
| MOUNTING TYPE                     | Surface Mount                                                                                             |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                             |
| MANUFACTURER STANDARD LEAD TIME   | 12 Weeks                                                                                                  |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                |
| GAIN BANDWIDTH PRODUCT            | 14MHz                                                                                                     |
| DETAILED DESCRIPTION              | General Purpose Amplifier 4 Circuit Rail-to-Rail 16-DFN-EP (5x3)                                          |
| CURRENT - SUPPLY                  | 1.05mA                                                                                                    |
| CURRENT - OUTPUT / CHANNEL        | 45mA                                                                                                      |
| CURRENT - INPUT BIAS              | 1pA                                                                                                       |
| BASE PART NUMBER                  | LTC6088                                                                                                   |
| AMPLIFIER TYPE                    | General Purpose                                                                                           |
