IME30-15NPSZW2K

|                     |                                 |
|---------------------|---------------------------------|
| Part Number:        | IME30-15NPSZW2K                 |
| Manufacturer/Brand: | SICK                            |
| Product description | SEN PROX SHRT UNSHLD PNP NO CBL |
| Datasheets:         |                                 |
| Ship From           | Hong Kong                       |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS           |

REQUEST FOR QUOTATION

Specifications of IME30-15NPSZW2K

|                                 |                                                                        |
|---------------------------------|------------------------------------------------------------------------|
| PART NUMBER                     | IME30-15NPSZW2K                                                        |
| MANUFACTURER                    | SICK                                                                   |
| DESCRIPTION                     | SEN PROX SHRT UNSHLD PNP NO CBL                                        |
| LEAD FREE STATUS / ROHS STATUS  |                                                                        |
| DATA SHEET                      |                                                                        |
| VOLTAGE - SUPPLY                | 10 V ~ 30 V                                                            |
| TERMINATION STYLE               | Cable                                                                  |
| SHIELDING                       | Shielded                                                               |
| SERIES                          | -                                                                      |
| SENSOR TYPE                     | Inductive                                                              |
| SENSING DISTANCE                | 0.591" (15mm)                                                          |
| RESPONSE FREQUENCY              | 500Hz                                                                  |
| PACKAGE / CASE                  | Cylinder, Threaded - M30                                               |
| OUTPUT TYPE                     | PNP-NO, 3-Wire                                                         |
| OTHER NAMES                     | 1041015                                                                |
| OPERATING TEMPERATURE           | -25°C ~ 75°C (TA)                                                      |
| MATERIAL - BODY                 | Plastic                                                                |
| MANUFACTURER STANDARD LEAD TIME | 3 Weeks                                                                |
| INGRESS PROTECTION              | IP67                                                                   |
| INDICATOR                       | LED                                                                    |
| DETAILED DESCRIPTION            | Inductive Proximity Sensor 0.591" (15mm) IP67 Cylinder, Threaded - M30 |
