|                                  |                                                           |
|----------------------------------|-----------------------------------------------------------|
| PART NUMBER                      | ADCS7476AIMFX                                             |
| MANUFACTURER                     | N/A                                                       |
| DESCRIPTION                      | IC ADC 12BIT 1MSPS MONO SOT23-6                           |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                        |
| DATA SHEET                       |                                                           |
| VOLTAGE - SUPPLY, DIGITAL        | 2.7 V ~ 5.25 V                                            |
| VOLTAGE - SUPPLY, ANALOG         | 2.7 V ~ 5.25 V                                            |
| SUPPLIER DEVICE PACKAGE          | SOT-23-6                                                  |
| SERIES                           | -                                                         |
| SAMPLING RATE (PER SECOND)       | 1M                                                        |
| REFERENCE TYPE                   | Supply                                                    |
| RATIO - S/H:ADC                  | 1:1                                                       |
| PACKAGING                        | Tape & Reel (TR)                                          |
| PACKAGE / CASE                   | SOT-23-6                                                  |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                             |
| NUMBER OF INPUTS                 | 1                                                         |
| NUMBER OF BITS                   | 12                                                        |
| NUMBER OF A/D CONVERTERS         | 1                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                             |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                        |
| INPUT TYPE                       | Single Ended                                              |
| FEATURES                         | -                                                         |
| DETAILED DESCRIPTION             | 12 Bit Analog to Digital Converter 1 Input 1 SAR SOT-23-6 |
| DATA INTERFACE                   | SPI, DSP                                                  |
| CONFIGURATION                    | S/H-ADC                                                   |
| BASE PART NUMBER                 | ADCS7476                                                  |
| ARCHITECTURE                     | SAR                                                       |
