| DESCRIPTION                       | IC OPAMP CURR SENS 700KHZ 8TSSOP                                                                  |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                        |
| DATA SHEET                        |  TSC103IPT.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 2.7 V ~ 5.5 V, ±1.35 V ~ 2.75 V                                                                   |
| VOLTAGE - INPUT OFFSET            | 500µV                                                                                             |
| SUPPLIER DEVICE PACKAGE           | 8-TSSOP                                                                                           |
| SLEW RATE                         | 0.6 V/µs                                                                                          |
| SERIES                            | -                                                                                                 |
| PACKAGING                         | Tape & Reel (TR)                                                                                  |
| PACKAGE / CASE                    | 8-TSSOP (0.173", 4.40mm Width)                                                                    |
| OUTPUT TYPE                       | -                                                                                                 |
| OTHER NAMES                       | 497-10454-2                                                                                       |
| OPERATING TEMPERATURE             | -40°C ~ 125°C                                                                                     |
| NUMBER OF CIRCUITS                | 1                                                                                                 |
| MOUNTING TYPE                     | Surface Mount                                                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                     |
| MANUFACTURER STANDARD LEAD TIME   | 38 Weeks                                                                                          |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                        |
| DETAILED DESCRIPTION              | Current Sense Amplifier 1 Circuit 8-TSSOP                                                         |
| CURRENT - SUPPLY                  | 200µA                                                                                             |
| CURRENT - OUTPUT / CHANNEL        | 26mA                                                                                              |
| CURRENT - INPUT BIAS              | 10µA                                                                                              |
