| DESCRIPTION                      | IC DAC STER 6CH 105DB 20-TSSOP                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                          |
| DATA SHEET                       |  <a href="#">CS4361-CZZR.pdf</a> |
| VOLTAGE SUPPLY SOURCE            | Analog and Digital                                                                                                  |
| VOLTAGE - SUPPLY                 | 1.7 V ~ 5.25 V                                                                                                      |
| TYPE                             | DAC, Audio                                                                                                          |
| SUPPLIER DEVICE PACKAGE          | 20-TSSOP                                                                                                            |
| SERIES                           | -                                                                                                                   |
| SAMPLING RATE (PER SECOND)       | 192k                                                                                                                |
| RESOLUTION (BITS)                | 24 b                                                                                                                |
| PACKAGING                        | Tape & Reel (TR)                                                                                                    |
| PACKAGE / CASE                   | 20-TSSOP (0.173", 4.40mm Width)                                                                                     |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                        |
| NUMBER OF CHANNELS               | 6                                                                                                                   |
| MOUNTING TYPE                    | Surface Mount                                                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                       |
| MANUFACTURER STANDARD LEAD TIME  | 20 Weeks                                                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                          |
| DETAILED DESCRIPTION             | DAC, Audio 24 bit 192k I²S 20-TSSOP                                                                                 |
