

ON Semiconductor®  

AMI Semiconductor / ON

Semiconductor

Part Number: MC74HCT573ADWR2G

Manufacturer/Brand: AMI Semiconductor / ON Semiconductor

Product description: IC LATCH OCTAL 3ST LSTTL 20SOIC

Datasheets:  MC74HCT573ADWR2G.pdf

RoHs Status:  Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of MC74HCT573ADWR2G

|                                  |                                                                                                          |
|----------------------------------|----------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | MC74HCT573ADWR2G                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                     |
| DESCRIPTION                      | IC LATCH OCTAL 3ST LSTTL 20SOIC                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                               |
| DATA SHEET                       |  MC74HCT573ADWR2G.pdf |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                                                            |
| SUPPLIER DEVICE PACKAGE          | 20-SOIC                                                                                                  |
| SERIES                           | 74HCT                                                                                                    |
| PACKAGING                        | Tape & Reel (TR)                                                                                         |
| PACKAGE / CASE                   | 20-SOIC (0.295", 7.50mm Width)                                                                           |
| OUTPUT TYPE                      | Tri-State                                                                                                |
| OTHER NAMES                      | MC74HCT573ADWR2GOS<br>MC74HCT573ADWR2GOS-ND<br>MC74HCT573ADWR2GOSTR                                      |
| OPERATING TEMPERATURE            | -55°C ~ 125°C                                                                                            |
| MOUNTING TYPE                    | Surface Mount                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                            |
| MANUFACTURER STANDARD LEAD TIME  | 20 Weeks                                                                                                 |
| LOGIC TYPE                       | D-Type Transparent Latch                                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                               |
| INDEPENDENT CIRCUITS             | 1                                                                                                        |
| DETAILED DESCRIPTION             | D-Type Transparent Latch 1 Channel 8:8 IC Tri-State 20-SOIC                                              |
| DELAY TIME - PROPAGATION         | 30ns                                                                                                     |
| CURRENT - OUTPUT HIGH, LOW       | 6mA, 6mA                                                                                                 |
| CIRCUIT                          | 8:8                                                                                                      |
| BASE PART NUMBER                 | 74HCT573                                                                                                 |
