E3T-FL12-M1TJ 0.3M

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | E3T-FL12-M1TJ 0.3M                                                                                           |
| Manufacturer/Brand: | Omron Automation & Safety                                                                                    |
| Product description | SENSOR DIFF/REF 0.3M DK ON NPN                                                                               |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of E3T-FL12-M1TJ 0.3M

|                                  |                                                                                    |
|----------------------------------|------------------------------------------------------------------------------------|
| PART NUMBER                      | E3T-FL12-M1TJ 0.3M                                                                 |
| MANUFACTURER                     | Omron Automation & Safety                                                          |
| DESCRIPTION                      | SENSOR DIFF/REF 0.3M DK ON NPN                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                         |
| DATA SHEET                       |                                                                                    |
| VOLTAGE - SUPPLY                 | 12 V ~ 24 V                                                                        |
| SERIES                           | E3T                                                                                |
| SENSING METHOD                   | Reflective, Background Suppression                                                 |
| SENSING DISTANCE                 | 0.039" ~ 0.591" (1mm ~ 15mm) ADJ                                                   |
| RESPONSE TIME                    | 1ms                                                                                |
| OUTPUT CONFIGURATION             | NPN - Open Collector/Dark-ON                                                       |
| OTHER NAMES                      | E3T-FL12-M1TJ 0.3M-ND<br>E3T-FL12-M1TJ0.3M<br>E3T/FL12/M1TJ 0.3M<br>E3TFL12M1TJ03M |
| OPERATING TEMPERATURE            | -25°C ~ 55°C                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                      |
| LIGHT SOURCE                     | Red (650nm)                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                         |
| INGRESS PROTECTION               | IEC IP67                                                                           |
| CONNECTION METHOD                | Connector                                                                          |
| ADJUSTMENT TYPE                  | -                                                                                  |
