Specifications of STR1-SASM0AC5

|                                 |                                                  |
|---------------------------------|--------------------------------------------------|
| PART NUMBER                     | STR1-SASM0AC5                                    |
| MANUFACTURER                    | SICK                                             |
| DESCRIPTION                     | SWITCH SAFETY UNIVERSAL CODE                     |
| LEAD FREE STATUS / ROHS STATUS  |                                                  |
| DATA SHEET                      |                                                  |
| VOLTAGE - SUPPLY                | 19.2 V ~ 28.8 V                                  |
| TYPE                            | -                                                |
| TERMINATION STYLE               | Cable with Connector                             |
| SERIES                          | -                                                |
| PACKAGE / CASE                  | Flange Mount                                     |
| OUTPUT TYPE                     | Logic                                            |
| OTHER NAMES                     | 1069560                                          |
| OPERATING TEMPERATURE           | -10°C ~ 70°C                                     |
| MUST RELEASE                    | -                                                |
| MUST OPERATE                    | -                                                |
| MANUFACTURER STANDARD LEAD TIME | 3 Weeks                                          |
| DETAILED DESCRIPTION            | Magnetic Logic Cable with Connector Flange Mount |
| ACTUATOR MATERIAL               | -                                                |
