

### HMC721LC3C

|                     |                                                                                                                  |
|---------------------|------------------------------------------------------------------------------------------------------------------|
| Part Number:        | HMC721LC3C                                                                                                       |
| Manufacturer/Brand: | ADI (Analog Devices, Inc.)                                                                                       |
| Product description | IC GATE XOR/XNOR 13DBPS 16QFN                                                                                    |
| Datasheets:         |  <a href="#">HMC721LC3C.pdf</a> |
| RoHs Status         |  Lead free / RoHS Compliant     |
| Ship From           | Hong Kong                                                                                                        |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                            |

REQUEST FOR QUOTATION

#### Specifications of HMC721LC3C

|                                  |                                                                                                                    |
|----------------------------------|--------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | HMC721LC3C                                                                                                         |
| MANUFACTURER                     | ADI (Analog Devices, Inc.)                                                                                         |
| DESCRIPTION                      | IC GATE XOR/XNOR 13DBPS 16QFN                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                         |
| DATA SHEET                       |  <a href="#">HMC721LC3C.pdf</a> |
| VOLTAGE - SUPPLY                 | -3 V ~ -3.6 V                                                                                                      |
| SUPPLIER DEVICE PACKAGE          | 16-SMT (3x3)                                                                                                       |
| SERIES                           | -                                                                                                                  |
| SCHMITT TRIGGER INPUT            | No                                                                                                                 |
| PACKAGING                        | Strip                                                                                                              |
| PACKAGE / CASE                   | 16-LFQFN Exposed Pad                                                                                               |
| OUTPUT TYPE                      | Differential, Single-Ended                                                                                         |
| OTHER NAMES                      | 1127-1707                                                                                                          |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                       |
| NUMBER OF INPUTS                 | 4                                                                                                                  |
| NUMBER OF CIRCUITS               | 1                                                                                                                  |
| MOUNTING TYPE                    | Surface Mount                                                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                      |
| MANUFACTURER STANDARD LEAD TIME  | 8 Weeks                                                                                                            |
| LOGIC TYPE                       | XOR/XNOR Gate                                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                         |
| DETAILED DESCRIPTION             | XOR/XNOR Gate Configurable 1 Circuit 4 Input 16-SMT (3x3)                                                          |
| CURRENT - OUTPUT HIGH, LOW       | -                                                                                                                  |
