| DESCRIPTION                      | IC REG LDO 3.3V/1.8V 0.15A 6TDFN                                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                               |
| DATA SHEET                       |  <a href="#">MIC5393-SGYMX-TR.pdf</a> |
| VOLTAGE/CURRENT - OUTPUT 1       | 200mA                                                                                                                    |
| VOLTAGE - INPUT                  | 2.5 V ~ 5.5 V                                                                                                            |
| VOLTAGE - BREAKDOWN              | 6-XTDFN (1.2x1.2)                                                                                                        |
| SERIES                           | -                                                                                                                        |
| ROHS STATUS                      | Digi-Reel®                                                                                                               |
| REGULATOR TOPOLOGY               | 150mA                                                                                                                    |
| POLARIZATION                     | 6-XFDFN Exposed Pad                                                                                                      |
| OTHER NAMES                      | 1611-MIC5393-SGYMX-DKR                                                                                                   |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                                                            |
| NUMBER OF REGULATORS             | 0.155V @ 150mA                                                                                                           |
| MOUNTING TYPE                    | Surface Mount                                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                            |
| MANUFACTURER PART NUMBER         | MIC5393-SGYMX-TR                                                                                                         |
| FREQUENCY - SWITCHING            | Positive Fixed                                                                                                           |
| EXPANDED DESCRIPTION             | Linear Voltage Regulator IC Positive Fixed Output 3.3V, 1.8V 150mA 6-XTDFN (1.2x1.2)                                     |
| DESCRIPTION                      | IC REG LDO 3.3V/1.8V 0.15A 6TDFN                                                                                         |
| CURRENT - OUTPUT                 | 3.3V, 1.8V                                                                                                               |
| CURRENT - LIMIT (MIN)            | 2                                                                                                                        |
