

MB90347ESPMC-GS-693E1

|                     |                                               |
|---------------------|-----------------------------------------------|
| Part Number:        | MB90347ESPMC-GS-693E1                         |
| Manufacturer/Brand: | Cypress Semiconductor                         |
| Product description | IC MCU 16BIT 128KB MROM 100LQFP               |
| Datasheets:         | <a href="#">PDF MB90347ESPMC-GS-693E1.pdf</a> |
| RoHs Status         | Lead free / RoHS Compliant                    |
| Ship From           | Hong Kong                                     |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                         |

REQUEST FOR QUOTATION

Specifications of MB90347ESPMC-GS-693E1

|                                  |                                                                                                                                   |
|----------------------------------|-----------------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | MB90347ESPMC-GS-693E1                                                                                                             |
| MANUFACTURER                     | Cypress Semiconductor                                                                                                             |
| DESCRIPTION                      | IC MCU 16BIT 128KB MROM 100LQFP                                                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                        |
| DATA SHEET                       | <a href="#">PDF MB90347ESPMC-GS-693E1.pdf</a>                                                                                     |
| VOLTAGE - SUPPLY (VCC/VDD)       | 3.5 V ~ 5.5 V                                                                                                                     |
| SUPPLIER DEVICE PACKAGE          | 100-LQFP (14x14)                                                                                                                  |
| SPEED                            | 24MHz                                                                                                                             |
| SERIES                           | F <sup>2</sup> MC-16LX MB90340E                                                                                                   |
| RAM SIZE                         | 6K x 8                                                                                                                            |
| PROGRAM MEMORY TYPE              | Mask ROM                                                                                                                          |
| PROGRAM MEMORY SIZE              | 128KB (128K x 8)                                                                                                                  |
| PERIPHERALS                      | DMA, POR, WDT                                                                                                                     |
| PACKAGING                        | Tray                                                                                                                              |
| PACKAGE / CASE                   | 100-LQFP                                                                                                                          |
| OSCILLATOR TYPE                  | External                                                                                                                          |
| OPERATING TEMPERATURE            | -40°C ~ 105°C (TA)                                                                                                                |
| NUMBER OF I/O                    | 82                                                                                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                        |
| EEPROM SIZE                      | -                                                                                                                                 |
| DETAILED DESCRIPTION             | F <sup>2</sup> MC-16LX F <sup>2</sup> MC-16LX MB90340E Microcontroller IC 16-Bit 24MHz 128KB (128K x 8) Mask ROM 100-LQFP (14x14) |
| DATA CONVERTERS                  | A/D 16x8/10b                                                                                                                      |
| CORE SIZE                        | 16-Bit                                                                                                                            |
| CORE PROCESSOR                   | F <sup>2</sup> MC-16LX                                                                                                            |
