

Honeywell Microelectronics & Precision Sensors

PPT0010GFX5VB

Part Number: PPT0010GFX5VB

Manufacturer/Brand: Honeywell Microelectronics & Precision Sensors

Product description: PRESSURE TRANSDUCER

1.PPT0010GFX5VB.pdf

2.PPT0010GFX5VB.pdf

3.PPT0010GFX5VB.pdf

4.PPT0010GFX5VB.pdf

Datasheets:

RoHs Status:  Contains lead / RoHS non-compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

| VOLTAGE - SUPPLY                 | 5.5 V ~ 30 V                                                                                                                |
| TERMINATION STYLE                | Connector                                                                                                                   |
| SUPPLIER DEVICE PACKAGE          | -                                                                                                                           |
| SERIES                           | -                                                                                                                           |
| PRESSURE TYPE                    | Vented Gauge                                                                                                                |
| PORT STYLE                       | Filtered, Threaded                                                                                                          |
| PORT SIZE                        | Female - 1/8" (3.18mm) Swagelok™, Filter                                                                                    |
| PACKAGE / CASE                   | Module Cube                                                                                                                 |
| OUTPUT TYPE                      | Analog, RS-485                                                                                                              |
| OUTPUT                           | 0 V ~ 5 V                                                                                                                   |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                                |
| OPERATING PRESSURE               | 10 PSI (68.95 kPa)                                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                               |
| MAXIMUM PRESSURE                 | 30 PSI (206.84 kPa)                                                                                                         |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                          |
| FEATURES                         | -                                                                                                                           |
| DETAILED DESCRIPTION             | Pressure Sensor 10 PSI (68.95 kPa) Vented Gauge Female - 1/8" (3.18mm) Swagelok™, Filter 0 V ~ 5 V Module Cube              |
| ACCURACY                         | ±0.05%                                                                                                                      |
