

Energy Micro (Silicon Labs)

C8051F931-F-GMR

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | C8051F931-F-GMR                                                                                              |
| Manufacturer/Brand: | Energy Micro (Silicon Labs)                                                                                  |
| Product description | IC MCU 8BIT 64KB FLASH 24QFN                                                                                 |
| Datasheets:         |  C8051F931-F-GMR.pdf        |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of C8051F931-F-GMR

|                                  |                                                                                                         |
|----------------------------------|---------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | C8051F931-F-GMR                                                                                         |
| MANUFACTURER                     | Energy Micro (Silicon Labs)                                                                             |
| DESCRIPTION                      | IC MCU 8BIT 64KB FLASH 24QFN                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                              |
| DATA SHEET                       |  C8051F931-F-GMR.pdf |
| VOLTAGE - SUPPLY (VCC/VDD)       | 0.9 V ~ 3.6 V                                                                                           |
| SUPPLIER DEVICE PACKAGE          | 24-QFN (4x4)                                                                                            |
| SPEED                            | 25MHz                                                                                                   |
| SERIES                           | C8051F9xx                                                                                               |
| RAM SIZE                         | 4.25K x 8                                                                                               |
| PROGRAM MEMORY TYPE              | FLASH                                                                                                   |
| PROGRAM MEMORY SIZE              | 64KB (64K x 8)                                                                                          |
| PERIPHERALS                      | Brown-out Detect/Reset, POR, PWM, Temp Sensor, WDT                                                      |
| PACKAGING                        | Tape & Reel (TR)                                                                                        |
| PACKAGE / CASE                   | 24-WFQFN Exposed Pad                                                                                    |
| OSCILLATOR TYPE                  | Internal                                                                                                |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                       |
| NUMBER OF I/O                    | 16                                                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                              |
| EEPROM SIZE                      | -                                                                                                       |
| DETAILED DESCRIPTION             | 8051 C8051F9xx Microcontroller IC 8-Bit 25MHz 64KB (64K x 8) FLASH 24-QFN (4x4)                         |
| DATA CONVERTERS                  | A/D 15x10b                                                                                              |
| CORE SIZE                        | 8-Bit                                                                                                   |
| CORE PROCESSOR                   | 8051                                                                                                    |
| CONNECTIVITY                     | SMBus (2-Wire/I²C), SPI, UART/USART                                                                     |
