Specifications of ADC081C021C1MM/NOPB

|                                  |                                                                      |
|----------------------------------|----------------------------------------------------------------------|
| PART NUMBER                      | ADC081C021C1MM/NOPB                                                  |
| MANUFACTURER                     | N/A                                                                  |
| DESCRIPTION                      | IC ADC 8BIT I2C 188KSPS 8VSSOP                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                           |
| DATA SHEET                       |                                                                      |
| VOLTAGE - SUPPLY, DIGITAL        | 2.7 V ~ 5.5 V                                                        |
| VOLTAGE - SUPPLY, ANALOG         | 2.7 V ~ 5.5 V                                                        |
| SUPPLIER DEVICE PACKAGE          | 8-VSSOP                                                              |
| SERIES                           | -                                                                    |
| SAMPLING RATE (PER SECOND)       | 188.9k                                                               |
| REFERENCE TYPE                   | Supply                                                               |
| RATIO - S/H:ADC                  | 1:1                                                                  |
| PACKAGING                        | Original-Reel®                                                       |
| PACKAGE / CASE                   | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width)                               |
| OTHER NAMES                      | ADC081C021C1MM/NOPBDKR<br>ADC081C021C1MMMDKR<br>ADC081C021C1MMDKR-ND |
| OPERATING TEMPERATURE            | -40°C ~ 105°C                                                        |
| NUMBER OF INPUTS                 | 1                                                                    |
| NUMBER OF BITS                   | 8                                                                    |
| NUMBER OF A/D CONVERTERS         | 1                                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                        |
| MANUFACTURER STANDARD LEAD TIME  | 16 Weeks                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                           |
| INPUT TYPE                       | Single Ended                                                         |
| FEATURES                         | -                                                                    |
| DETAILED DESCRIPTION             | 8 Bit Analog to Digital Converter 1 Input 1 SAR 8-VSSOP              |
| DATA INTERFACE                   | I²C                                                                  |
| CONFIGURATION                    | S/H-ADC                                                              |
| BASE PART NUMBER                 | ADC081C021                                                           |
| ARCHITECTURE                     | SAR                                                                  |
