SL2S1612FUD,003

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | SL2S1612FUD,003                                                                                              |
| Manufacturer/Brand: | NXP Semiconductors / Freescale                                                                               |
| Product description | IC I-CODE ILT-M UNCASSED WAFER                                                                               |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of SL2S1612FUD,003

|                                  |                                                                       |
|----------------------------------|-----------------------------------------------------------------------|
| PART NUMBER                      | SL2S1612FUD,003                                                       |
| MANUFACTURER                     | NXP Semiconductors / Freescale                                        |
| DESCRIPTION                      | IC I-CODE ILT-M UNCASSED WAFER                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                            |
| DATA SHEET                       |                                                                       |
| VOLTAGE - SUPPLY                 | 1.5 V ~ 1.7 V                                                         |
| TYPE                             | RFID Transponder                                                      |
| SUPPLIER DEVICE PACKAGE          | Wafer                                                                 |
| STANDARDS                        | ISO 15693, ISO 18000-3                                                |
| SERIES                           | I-Code                                                                |
| PACKAGING                        | Bulk                                                                  |
| PACKAGE / CASE                   | Die                                                                   |
| OTHER NAMES                      | 935296173003                                                          |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                            |
| INTERFACE                        | -                                                                     |
| FREQUENCY                        | 13.56MHz                                                              |
| DETAILED DESCRIPTION             | RFID Transponder IC 13.56MHz ISO 15693, ISO 18000-3 1.5 V ~ 1.7 V Die |
