| VOLTAGE - SUPPLY (VCC/VDD)       | 2 V ~ 5.5 V                                                                    |
| SUPPLIER DEVICE PACKAGE          | 28-SSOP                                                                        |
| SPEED                            | 10MHz                                                                          |
| SERIES                           | PIC® 16F                                                                       |
| RAM SIZE                         | 368 x 8                                                                        |
| PROGRAM MEMORY TYPE              | FLASH                                                                          |
| PROGRAM MEMORY SIZE              | 14KB (8K x 14)                                                                 |
| PERIPHERALS                      | Brown-out Detect/Reset, POR, PWM, WDT                                          |
| PACKAGING                        | Tube                                                                           |
| PACKAGE / CASE                   | 28-SSOP (0.209", 5.30mm Width)                                                 |
| OSCILLATOR TYPE                  | Internal                                                                       |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                              |
| NUMBER OF I/O                    | 25                                                                             |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                  |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                     |
| EEPROM SIZE                      | -                                                                              |
| DETAILED DESCRIPTION             | PIC PIC® 16F Microcontroller IC 8-Bit 10MHz 14KB (8K x 14) FLASH 28-SSOP       |
| DATA CONVERTERS                  | A/D 11x10b                                                                     |
| CORE SIZE                        | 8-Bit                                                                          |
| CORE PROCESSOR                   | PIC                                                                            |
| CONNECTIVITY                     | I²C, SPI, UART/USART                                                           |
| BASE PART NUMBER                 | PIC16LF767                                                                     |
