

BU4823G-TR

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | BU4823G-TR                                                                                                   |
| Manufacturer/Brand: | LAPIS Semiconductor                                                                                          |
| Product description | IC RESET CMOS 2.3V 5SSOP                                                                                     |
| Datasheets:         | <a href="#">1.BU4823G-TR.pdf</a><br><a href="#">2.BU4823G-TR.pdf</a>                                         |
| RoHS Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of BU4823G-TR

|----------------------------------|------------------------------------------------------------------------------|
| PART NUMBER                      | BU4823G-TR                                                                   |
| MANUFACTURER                     | LAPIS Semiconductor                                                          |
| DESCRIPTION                      | IC RESET CMOS 2.3V 5SSOP                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                   |
| DATA SHEET                       | <a href="#">PDF 1.BU4823G-TR.pdf</a><br><a href="#">PDF 2.BU4823G-TR.pdf</a> |
| VOLTAGE - THRESHOLD              | 2.3V                                                                         |
| TYPE                             | Simple Reset/Power-On Reset                                                  |
| SUPPLIER DEVICE PACKAGE          | 5-SSOP                                                                       |
| SERIES                           | -                                                                            |
| RESET TIMEOUT                    | -                                                                            |
| RESET                            | Active High/Active Low                                                       |
| PACKAGING                        | Tape & Reel (TR)                                                             |
| PACKAGE / CASE                   | SC-74A, SOT-753                                                              |
| OUTPUT                           | Open Drain or Open Collector                                                 |
| OTHER NAMES                      | BU4823G-TR-ND<br>BU4823GTR                                                   |
| OPERATING TEMPERATURE            | -40°C ~ 125°C (TA)                                                           |
| NUMBER OF VOLTAGES MONITORED     | 1                                                                            |
| MOUNTING TYPE                    | Surface Mount                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                   |
| DETAILED DESCRIPTION             | Supervisor Open Drain or Open Collector 1 Channel 5-SSOP                     |
| BASE PART NUMBER                 | BU48*                                                                        |
