

**ADI (Analog Devices, Inc.)**

LTC1387CSW#PBF

Part Number: LTC1387CSW#PBF

Manufacturer/Brand: ADI (Analog Devices, Inc.)

Product description: IC TXRX 2/2 MULTIPRTCL 20SOIC

Datasheets:  LTC1387CSW#PBF.pdf

RoHs Status:  Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Image may be representation. See specifications for product details.

Specifications of LTC1387CSW#PBF

|                                  |                                                                                                        |
|----------------------------------|--------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | LTC1387CSW#PBF                                                                                         |

| DESCRIPTION                      | IC TXRX 2/2 MULTIPRTCL 20SOIC                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| DATA SHEET                       |  LTC1387CSW#PBF.pdf |
| VOLTAGE - SUPPLY                 | 5V                                                                                                     |
| TYPE                             | Transceiver                                                                                            |
| SUPPLIER DEVICE PACKAGE          | 20-SOIC                                                                                                |
| SERIES                           | -                                                                                                      |
| RECEIVER HYSTERESIS              | 40mV                                                                                                   |
| PROTOCOL                         | Multiprotocol                                                                                          |
| PACKAGING                        | Tube                                                                                                   |
| PACKAGE / CASE                   | 20-SOIC (0.295", 7.50mm Width)                                                                         |
| OTHER NAMES                      | LTC1387CSWPBF                                                                                          |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                                                             |
| NUMBER OF DRIVERS/RECEIVERS      | 2/2                                                                                                    |
| MOUNTING TYPE                    | Surface Mount                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                          |
| MANUFACTURER STANDARD LEAD TIME  | 12 Weeks                                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| DUPLEX                           | Half                                                                                                   |
| DETAILED DESCRIPTION             | 2/2 Transceiver Half Multiprotocol 20-SOIC                                                             |
| DATA RATE                        | 150KBd                                                                                                 |
| BASE PART NUMBER                 | LTC1387                                                                                                |
