|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | CD4518BEG4                                                                                                   |
| Manufacturer/Brand: | N/A                                                                                                          |
| Product description | IC DUAL BCD UP-COUNTER 16-DIP                                                                                |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

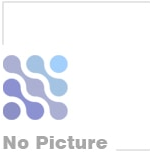

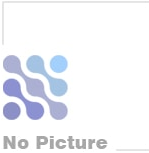

Specifications of CD4518BEG4

|                                  |                                                                   |
|----------------------------------|-------------------------------------------------------------------|
| PART NUMBER                      | CD4518BEG4                                                        |
| MANUFACTURER                     | N/A                                                               |
| DESCRIPTION                      | IC DUAL BCD UP-COUNTER 16-DIP                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                        |
| DATA SHEET                       |                                                                   |
| VOLTAGE - SUPPLY                 | 3V ~ 18V                                                          |
| TRIGGER TYPE                     | Positive, Negative                                                |
| TIMING                           | Synchronous                                                       |
| SUPPLIER DEVICE PACKAGE          | 16-PDIP                                                           |
| SERIES                           | 4000B                                                             |
| RESET                            | Asynchronous                                                      |
| PACKAGING                        | Tube                                                              |
| PACKAGE / CASE                   | 16-DIP (0.300", 7.62mm)                                           |
| OTHER NAMES                      | CD4518BEE4<br>CD4518BEE4-ND                                       |
| OPERATING TEMPERATURE            | -55°C ~ 125°C                                                     |
| NUMBER OF ELEMENTS               | 2                                                                 |
| NUMBER OF BITS PER ELEMENT       | 4                                                                 |
| MOUNTING TYPE                    | Through Hole                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                     |
| LOGIC TYPE                       | BCD Counter                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                        |
| DIRECTION                        | Up                                                                |
| DETAILED DESCRIPTION             | Counter IC BCD Counter 2 Element 4 Bit Positive, Negative 16-PDIP |
| COUNT RATE                       | 8MHz                                                              |
| BASE PART NUMBER                 | 4518                                                              |
