| WRITE CYCLE TIME - WORD, PAGE    | 60ns                                                                         |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 3.6 V                                                                |
| TECHNOLOGY                       | FLASH - NOR                                                                  |
| SUPPLIER DEVICE PACKAGE          | 64-Fortified BGA (13x11)                                                     |
| SERIES                           | GL-S                                                                         |
| PACKAGING                        | Tape & Reel (TR)                                                             |
| PACKAGE / CASE                   | 64-LBGA                                                                      |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                            |
| MOUNTING TYPE                    | Surface Mount                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                |
| MEMORY TYPE                      | Non-Volatile                                                                 |
| MEMORY SIZE                      | 1Gb (64M x 16)                                                               |
| MEMORY INTERFACE                 | Parallel                                                                     |
| MEMORY FORMAT                    | FLASH                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                   |
